# **Catholic Education WA students demonstrate outstanding achievement in WACE awards**

Catholic Education Western Australia (CEWA) Deputy Executive Director, Peter Yensch, today congratulated thousands of students on achieving a WACE (Western Australian Certificate of Education) in 2019.

Mr Yensch said the 2019 cohort of Year 12 students could be proud of reaching an important milestone, and all they had achieved in their time at school.

“Well done to all of the students at Catholic schools and colleges who have completed Year 12 this year - getting to this point has shown a real commitment to your learning and development at school, and I hope you have built lasting friendships along the way,” he said.

Mr Yensch also congratulated the 17 CEWA students whose achievements were recognised with School Curriculum and Standards Authority (SCSA) General Exhibition, Subject Exhibition and VET (Vocational Education and Training) Exhibition awards.

“It is great to see our Catholic education system supporting students to achieve excellent learning outcomes year to year, with many students achieving an ATAR of 95 or higher for 2019, and thousands attaining VET qualifications,” Mr Yensch said.

“We are really proud of all that our students across the State have achieved this year, particularly those who have finished their time at school and now look forward to the future,”

“I am excited to see what our class of 2019 set out to achieve for 2020 and beyond, as they begin further learning or set out on their chosen careers or working on their own personal goals. For now, I wish them all a well-deserved and safe end-of-year break,”

On behalf of CEWA, Mr Yensch congratulated the following students who have been recognised for achieving the highest marks in WA.
